

12v emergency lithium battery pack

What is a 12V lithium ion battery pack?

A 12V lithium ion battery pack is a battery pack made up of three or four lithium batteries connected in series and several lithium batteries connected in parallel. This configuration allows the capacity of a 12V lithium battery to be customized.

What is the lithium-ion rechargeable battery pack?

The Lithium-ion Rechargeable Battery Pack is designed for use with all Somfy wirefree external battery-operated motors. Your smart window covering doesn't have to be out of commission while you charge, since our External Battery Pack allows your motorized blinds and shades to continue operating even while charging.
