

25w portable mobile power bank

What is a Samsung 25W wireless portable battery?

This is Samsung's premium 10,000mAh power bank, from the build materials to the charging speeds. The Samsung 25W Wireless Portable Battery packs a pair of USB-C ports and a rubber Qi charging pad on the front panel. You can tap into rates up to 25W with either charging port, and the pad tops out at 7.5W of wireless juice.

What is a Samsung 25W 10 Mah Wireless battery pack?

The Samsung 25W 10,000mAh Wireless Battery Pack is a power bank designed for charging Galaxy and other small devices. It has quite a sleek design with an organic-looking finish, emphasized by the beige colorway of my unit, which is mottled for a pebble-like appearance.

Which Samsung power bank is best?

The Samsung 25W Wireless power bank is easily the best if you're loaded up on Samsung devices. It's one of very few to support USB Power Delivery PPS, which means you can tap into Samsung's best speeds. You won't quite reach the 45W cap on the Galaxy S20 Ultra, but 25W is suitable for everything from Galaxy Buds to the entire Galaxy S21 series.

Should I buy a Samsung 25W battery pack?

Don't buy it if... With its 10,000mAh capacity, the Samsung 25W 10,000mAh Wireless Battery Pack won't be enough for charging your phone more than once. You want the best value. There are cheaper power banks out there with similar specs, and sometimes with extra features to boot.

Is the Samsung 25W a good battery?

The Samsung 25W Wireless Portable Battery is small but mighty, and also mighty heavy. The Samsung 25W Wireless power bank is also surprisingly heavy for its size. Not uncomfortably so by any means, but you'll certainly notice the extra 317g in a small bag or a pocket.

Can you carry a power bank on a plane?

You may have seen news reports of flights being grounded because a power bank caught fire in the cabin. Currently, the TSA allows them in your carry-on luggage as long as they're rated at 100 watt-hours or lower (about 27,000mAh for lithium ion batteries). But some airlines have enacted further restrictions.
