

That's why we'll talk about these storage containers like they're the Swiss Army knives of energy solutions - compact, adaptable, and ready for anything Tirana's weather (or power grid) ...

Picture this - a bustling construction site in Tirana where workers unload what looks like a shipping container, but instead of containing IKEA furniture, it's packed with enough battery ...

With energy demand growing 7% annually since 2022 [1], Albania's capital faces a perfect storm of aging infrastructure and climate commitments. But here's the kicker - their current grid can ...

When you hear "Tirana Power Storage Project," do you imagine giant Duracell bunnies hopping around Albania's capital? Okay, maybe not that whimsical - but this project is electrifyingly ...
