

American lithium battery outdoor power supply customization

Are lithium-ion batteries good for outdoor power equipment?

Lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment. At American Battery Solutions, we offer batteries designed to meet your specific needs.

Where are lithium batteries made?

Big News from Lithium Battery Company! We've expanded with a cutting-edge, fully automated factory at 5201 S Westshore Blvd, Tampa, FL! Advanced lithium-ion battery solutions for defense, medical, marine, and industrial applications, manufactured in our Tampa, FL facility.

Can electric vehicle lithium-ion be used outdoors?

From commercial landscaping to autonomous delivery, lithium-ion batteries from electric vehicles are heading outdoors. American Battery Solutions offers low-voltage batteries for outdoor power equipment in 48v and 24v battery systems, with efficient and effective options in a variety of configurations.

Do you offer low-voltage batteries for outdoor power equipment?

At American Battery Solutions, we offer low-voltage batteries for outdoor power equipment in 48v and 24v battery systems*. These efficient and effective options come in a variety of configurations. What's more, our lithium-ion batteries for outdoor power equipment require no maintenance and provide robust durability, extending the life of your valuable equipment.

What is a portable power station & a home energy storage battery?

Product portfolio includes portable power stations (300W-2000W) for on-the-go applications and home energy storage batteries (5kWh-30kWh) for residential use, providing solutions that scale with your customers' diverse energy needs. Perfect for field work, outdoor events, and mobile operations. Home energy independence and backup power solutions.

Which batteries are fully automated?

Fully automated line for large cylindrical batteries, including 32130, 32125, 32140, 22140, 40130, and 4680 models. Ideal for energy storage and heavy-duty applications. High-speed automation for increased throughput. Fully automated line for small cylindrical batteries, specifically 18650, 21700, 26650, and 32700 models.

Discover the power and versatility of our custom Lithium-Ion battery pack! Designed to meet the exact specifications of your project, our battery pack offers a range of benefits that make it the ...
