

Our BIPV Glass Railing Systems are embedded with high-efficiency photovoltaic cells, converting sunlight into electrical energy. This dual functionality not only enhances the visual appeal of ...

Building-integrated photovoltaics (BIPV) curtain walls are an innovative solution we offer to help large buildings improve energy efficiency and design. Our BIPV curtain walls integrate solar ...

This paper focuses on the discussion of design variables for a new BIPV curtain wall that offers a cost-effective, innovative way to retrofit low-performing building enclosures while producing on ...
