

# British large-cell pack lithium battery manufacturer

Who makes lithium ion battery packs?

Our lithium ion battery pack manufacturing team can design and assemble prototypes, small production runs as well as large scale mass production. We predominantly build Lithium Ion 18650 battery packs, using well known 18650 Li-ion cell manufacturers such as Samsung, LG Chem, Panasonic and Sanyo.

Where are PMBL batteries made?

PMBL Ltd., located in Chard, Somerset, UK, is a leading manufacturer of custom battery packs, including lithium-ion, lithium-polymer, NiMH, alkaline, and lead-acid options. They serve industries such as electronics, medical equipment, oil and gas, and wearable technology.

Who is Alexander battery technologies?

Alexander Battery Technologies (ABT) is a global leader in custom battery pack design and manufacturing for OEMs across various industries. With over 40 years of experience, ABT provides precisely engineered solutions tailored to clients' unique needs.

Who makes LiFePO<sub>4</sub> batteries?

UltraMax manufactures LiFePO<sub>4</sub> batteries for various applications, including golf trolleys, motorcycles, campervans, and solar energy storage. As one of the UK's largest lithium battery manufacturers, they specialize in custom batteries for commercial and domestic use and offer chargers and accessories.

Who uses Johnson Matthey lithium-ion batteries?

Johnson Matthey has supplied lithium-ion batteries to several leading electric vehicle manufacturers. For instance, they were chosen by Modex, a UK-based commercial electric vehicle manufacturer, as the battery supplier for their new EV. Modex reported significant improvements in vehicle range and overall performance after the switch.

Why is Birmingham a hub for lithium battery production?

Birmingham is increasingly recognized as a central hub for lithium battery production in the UK. The city's industrial legacy, combined with its strategic focus on advanced manufacturing sectors, has fostered a conducive environment for lithium battery makers.
