

What is a cabinet system of government?

Cabinet or parliamentary system of government may be defined as one in which the Head of State is different from the Head of Government and where there is no strict separation of powers between the executive and the legislature. The main executive power is exercised by the Prime Minister, who is the head of government. ...

What is the modern cabinet?

Modern cabinets are free of the ornate design work often found in traditional cabinet door styles. They feature a recessed panel door with smooth edge profiles and simple clean lines offering only the simplest of design elements. Even the handles themselves come in low profile styles, not demanding too much attention. ...

What is Kitchen Cabinet or inner cabinet?

The cabinet, consisting of the prime minister as its head and some 15 to 20 most important ministers, is the highest decision-making body in the formal sense. However, a still smaller body called the 'inner Cabinet' or 'Kitchen Cabinet' has become the real centre of power.
