

Georgia Home Energy Storage

Will Georgia Power offer more battery energy storage projects?

In that filing, Georgia Power signaled its intention to solicit bids for more storage- another 500 MW- in the near future. Battery energy storage projects are popping up all over the U.S., which added nearly 4 GW of storage capacity in the second quarter of this year alone, according to a recent report.

How many battery energy storage sites will Georgia Power have in 2026?

Georgia Power has applied for certification of four battery energy storage sites totaling 500 MW expected to come online in 2026. In a continued effort to limit its use of fossil fuels to mitigate peaks, Georgia Power Company is adding a whole mess of new BESS.

Who is the leader in home generator energy storage technology?

As a proud supplier of Briggs & Stratton home energy storage systems, GenSpring Power is able to work with the leader in home generator energy storage technology. In 2021, Briggs & Stratton released the SimpliPhi ESS energy storage system. Energy storage is becoming a needed solution for many homeowners across Georgia.

Does Georgia Power support Customer-Sited solar?

Georgia Power is also committed to supporting customer-sited generation resources to meet the state's growing energy needs. The 2025 IRP includes two customer expansions of BESS programs including enhancements to the Customer Connected Solar Program and launching a new Customer-Sited Solar Plus Storage Pilot.

Can a generator power a home in Georgia?

Power your home with a natural gas or propane generator from Georgia's #1 choice for home generator power, GenSpring. A powerful home generator can mean the difference between living comfortably through a storm and sitting in the dark without air conditioning, appliances, or even necessary medical equipment.

Why should you buy a home generator in Georgia?

In Georgia, a powerful home generator can make all the difference during storms. It can keep your lights on, run your air conditioning, and power essential appliances and medical equipment. GenSpring Power offers American-made home generators from Kohler and Briggs & Stratton to help families stay comfortable and safe.
