

Huawei Tonga Park Photovoltaic Panels

Why do we need solar power in Tonga?

Renewables like solar are a significant means for Tonga to expand energy access, stabilize power grids as well as reduce pollution. Considering the shortage of solar expertise and finances for countries like Tonga, the role of independent power producers and the practice of PPA provide solid support to smooth the way for solar deployment.

What is Huawei's smart photovoltaic power plant management system?

*All the data are obtained by testing in Huawei's photovoltaic laboratory, and the actual situation may vary due to various reasons. The smart photovoltaic power plant management system developed by Huawei comes with refined management, efficient operation and maintenance, an open ecosystem, and self-developed safety features.

What does Sunergise's 6MW solar system mean for Tonga?

As Hu'akavameiliku, Prime Minister of Tonga said at the ceremony: "The successful completion of the Sunergise's 6MW Independent Power Producers solar generation system today, demonstrates the major role renewable energy independent power producers play towards achieving our 70% target by [the] end of [the] year 2025."

Where is Tongatapu solar farm located?

Prime Minister of Tonga today announced the official launch of the 6-MW power purchase agreement (PPA) based Tongatapu Solar Farm located at Fualu, Tongatapu, which has supplied electricity to over 10,336 households since August this year.

What is a smart photovoltaic power plant management system?

The smart photovoltaic power plant management system developed by Huawei comes with refined management, efficient operation and maintenance, an open ecosystem, and self-developed safety features. It empowers smart photovoltaic power plants with higher safety and reliability.

What is Sunergise Tongatapu solar farm?

The Sunergise Tongatapu Solar Farm is the largest in the South Pacific. It was built as part of a power purchase agreement between Sunergise New Zealand Limited, a Todd Corporation solar company and Tonga Power Limited, with support from the Asian Development Bank.

It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and microgrids. It builds a product ecosystem centered on solar inverters, charge ...
