

Lithium battery pack 13 strings 15a

About this item 1. High-quality 48V BMS Board: This 13S 15A 18650 BMS is specifically designed for ternary lithium battery packs used in electric bicycles and electric vehicles. With its reliable ...

Suitable for lithium ion, lithium polymer, lithium iron phosphate and other different chemical properties of lithium batteries, protection plate bearing capacity, the maximum continuous ...

Buy 48V 15A 13s 13s, Board Aluminum Alloy Lithium Ion Battery Pack with Balancing for Electric Vehicles Scooters and other Power Converters at Amazon . Our wide selection is eligible ...

Same port is equipped with disconnection protection, any string of battery cells in the battery pack has zero voltage, and any cable is disconnected to protect battery from no output, suitable for ...

5. Using a single integrated circuit, the performance is more stable, with disconnection protection, with temperature protection function Specifications: Product name: 13 strings of 48V lithium ...
