

## **Lithium battery pack with high current and fast voltage reduction**

Voltaplex is proud to design and manufacture high-voltage battery packs for energy-intensive applications. We build each pack to meet the performance and safety requirements of ...

The electrolyte directly contacts the essential parts of a lithium-ion battery, and as a result, the electrochemical properties of the electrolyte have a significant impact on the voltage ...

Introducing the Proliance Intelligent Battery Series™, our latest high-voltage propulsion lithium-ion batteries. These battery systems are designed for rigorous use in commercial electric vehicles, ...
