

Myanmar energy storage power supply manufacturer

Who is Myanmar Supply Co., Ltd?

Myanma Supply Co.,Ltd is a company based in Myanmarthat has been stocking and exporting pulses and beans since 2003. They export these products to countries like India,Singapore,and Saudi Arabia. Their main export products are pigeon peas and black lentil.

What is Myanmar's primary energy supply?

Myanmar exports a large fraction of the total primary energy produced and, therefore, the total primary energy supply (TPES) is lower than total primary energy production. Most of the produced gas is intended for export, which accounted for 78.8% in 2012, while the remaining 21.2% is utilized for domestic use.

What are the energy units used in Myanmar?

The existing installed capacity is also included in the questionnaire in megawatts (MW). The Myanmar EBT 2000-2016 adopted the energy unit of ton of oil equivalent (toe). One unit of toe is defined as 107 kl (41.868 GJ). There are two heat values: one is NCV and the other is gross calorific value (GCV).
