Are REC Solar panels a good brand?

Norwegian brand REC is known primarily for its premium-class residential PV modules. However, it doesn't limit itself to this: the product line is wide enough that you can use wholesale REC solar panels for building a strong commercial system, small or large. REC products are known for high quality, great warranties and innovations.

We are excited to offer great deals on full pallets of solar panels by leading manufacturers! If you are looking for a pallet of a specific solar panel and do not see it below, please call us at (760) ...
