

Russian company that makes outdoor power supplies

Who is the best power supply company in Russia?

In the world of power supplies (PS), it is quite a well-known company on the Russian market. I know that MEAN WELL company is the absolute leader on the PS market. I became curious about comparing these companies.

Who imports power supplies to Russia?

Import of power supplies under the customs codes 8504408200 and 8504409000, in 2018 by distributors and brokers. The import volume of 32 distributors and brokers of electronic components to Russia amounted to \$87 million.

How much does Russia import from distributors & brokers?

The import volume of 32 distributors and brokers of electronic components to Russia amounted to \$87 million. It's an extremely important stipulation, since this customs code implies not only import of the products that the companies listed in Table 4 specialize in. It can be exemplified by SIEMENS AG from Table 2.
