Can you buy a property in Solomon Islands?

If you want to purchase a property for sale in Solomon Islands, about 95% of the land in the Solomon Islands is owned by indigenous peoples, clans or lineages. These communal lands can be rented with the government as agents. The terms of the lease can reach up to 75 years for private commercial use.

Why do Solomon Islanders dispute land ownership?

The islanders are reluctant to provide land for non-traditional economic commitments, and this has led to continued disputes over land ownership. One of the most important features of Solomon Island's culture is that its people have a strong attachment to their land.
