

Togo Photovoltaic Energy Storage Power Station

SummaryLocationOverviewDevelopersExpansionOther considerationsThe Blitta Solar Power Station is an operational 50 MW (67,000 hp) solar power plant in Togo. The power station was developed by Amea Power, an independent power producer (IPP) based in the United Arab Emirates. The solar farm, which is the largest grid-ready in Togo, is also referred to as Mohamed Bin Zayed Power Station, named after His Highness Sheikh Mohamed bin Zayed Al Nahyan, the Crown Prince of Abu Dhabi. The power station began commercial operations in Jun...
