

Wholesale prices for solar home systems

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Do wholesale solar panels come on pallets?

Our wholesale solar panels come on pallets, offering you the perfect wholesale solar panel solution for larger projects or resellers. Whether you're outfitting a commercial property or stocking up for a residential install, these pallets of solar panels provide high-quality performance at unbeatable prices.

What is a wholesale solar panel bundle pack?

A wholesale solar panel bundle pack is a convenient package that allows you to purchase multiple high-efficiency grid tie solar panels at deep discount prices. Our packs are built with large 230W solar panels, making it easy to get all the panels you need for your home or multiple installations.

What are the cheapest solar panels?

Notice that at A1SolarSolar when it comes to the wholesale price of a solar panel, we show the cost per watt rather than per pallet or per panel. Generally, solar market prices can be described like this: Asian panels, especially Chinese ones, are the cheapest ones. The most popular brands here are JA, LONGI, Trina Solar, ZN Shine and many others.

Where can I find discount solar panels?

SunWatts is the best place to find solar panels with discount, volume pricing, and low cost solar products at wholesale prices. This is your source for discount prices on solar panels by the pallet. These panels are new, A-grade, UL certified, qualify for tax credits, rebates and come with a 25 year manufacturer's performance warranty.

Where can I find low prices on solar panels?

Find low prices on solar panels and panels by the pallet. Call one of our experienced solar design techs to talk about your project toll free at 888-498-3331. If you have your most recent electric bill handy, we'll be able to get started with the design process right away.
